

Workshop on
“Measurements & the Global Energy Challenge”

20th May, 2014

**Organized by the Section E1 of the Sri Lanka Association for the Advancement of Science
in collaboration with the Dept. of Physics, USJP**

Agenda

08.30 – 09.00 am	Registration
09.00 – 09.05 am	Inauguration Ceremony
Session – I	
09.05 – 09.10 am	Welcome speech by Dr Shantha Gamage, President, Section E1, SLAAS
09.10 – 09.25 am	“National Quality Infrastructure – The Need of the Hour” Dr A.M. Mubarak, General President, SLAAS
09.25 – 09.40 am	“Relevance of physics in metrology” Prof. D. A. Tantrigoda, Chair & Senior professor of Physics, Dept. of Physics, USJP
09.40 – 09.55 am	Address by Dr N. L. A. Karunaratne, Vice-Chancellor, USJP
09.55 – 10.05 am	Address by Director/ CEO, Industrial Technology Institute
10.05 – 10.15 am	Address by Director General, Sri Lanka Standards Institute
10.15 – 10.25 am	Address by Director/ CEO, Sri Lanka Accreditation Board
10.25 – 10.35 am	Address by Director, Measurement Units Standards & Services Department
10.35 – 10.50 am	~ TEA ~
Session – II	
10.50 – 11.20 am	“Metrology & precision power managements” -Dr W.M.S. Wijesinghe, Head/Metrology, ITI
11.20 – 12.00 am	“ISO standards for energy management” Mr Gamini Dharmawardana, DDG, SLSI
12.00 – 12.30 pm	“SI units & future definitions”-Dr W.M.S. Wijesinghe, Head/Metrology, ITI
12.30 – 01.30 pm	~ LUNCH ~
Session – III	
01.30 – 02.10 pm	“Accurate energy measurements”-Mr G.H. Asoka, A/Director, Metrology, SLSI
02.10 – 02.50 pm	“New developments in energy measurements” - Eng. Surendra Perera, Senior Operations Manager, Cleanco Lanka Ltd
02.50 – 02.55 pm	Vote of Thanks – Dr Sasani Jayawardhana, Secretary, Section E1, SLAAS
03.00 pm	~ TEA ~
